

PUBLIC NOTICE

Financial Services Commission

UNREGISTERED INVESTMENT SCHEMES

The Financial Services Commission (“FSC”) wishes to advise the public that:

- **World Wise Partners Limited; and**
- **Higgins Warner Music and Entertainment Limited**

are not licensed by the FSC to offer investment products in Jamaica and do not have any investment products registered with the FSC that can be legally offered to the public. In addition, the FSC does not have before it applications from these entities to obtain a securities dealers license or to register any securities.

The FSC urges the public to exercise due diligence when considering investment opportunities and to do the following when making financial investments:

1. Obtain as much information as possible about the entity and the investment product involved.
2. Understand the risks associated with investing in the product.
3. Understand the costs you assume in making the investment.
4. Seek and accept advice only from a licensed securities dealer or investment advisor to determine whether the investment being offered is suitable for you.
5. If in doubt, contact the FSC before investing your funds to find out if the investment product is registered or if the dealer is licensed under the Act.

If you have any queries please contact the FSC by way of the following:
