The Pre-notification Form (XD F-1) has been amended and the Outstanding Exempt Distributions Form (XD – F3) has been brought under the Guidelines.

FINANCIAL SERVICES COMMISSION  
 GUIDELINES FOR EXEMPT DISTRIBUTIONS (GUIDELINES SR-GUID-19/08-0001)

---

**PART I INTRODUCTION**

- 1.1** These securities industry Guidelines are for the attention of persons who intend to issue securities in Jamaica by way of an exempt distribution. It is meant to convey the requirements that are to be complied with in order for a distribution of securities to be exempt from registration of its prospectus or offering document with the Financial Services Commission ("FSC"). These guidelines do not apply to securities issued by the Government of Jamaica, or issuers operating under the ambit of the Securities (Collective Investment Schemes) Regulations. In order to comply with the Securities Act issuers who intend to offer their securities in Jamaica are required to register with the FSC in respect of those securities. As part of the registration process the FSC requires issuers to file a registration statement (or an information memorandum in the case of commercial paper) with details about itself to the FSC. The filing of the Form XD F-1 Notice of Exempt Distribution and the subsequent registration of the exempt distribution is deemed to satisfy the registration requirements of section 26 of the Securities Act.
- 1.2** Sections of amendment and or additions are as follows: 3.1, 3.3, 3.4, 4.1, 4.3, 5.1, 5.2, 6.2, 6.3, 6.5, 8.1, 9.1 and 7.1. There were also amendments done to the XD F-1, XD F-2 and the Outstanding Report has been incorporated within these guidelines.
