**FSC appoints special auditor**

**Kingston, Jamaica** – The Financial Services Commission (FSC) has appointed a Special Auditor for Stocks and Securities Limited.

This appointment comes on the heels of the enactment of an enhanced Supervisory regime for SSL announced last week.

The Special Auditor will assist the FSC in its enhanced supervision of the entity and the continuing investigations into its operations.

As stated in its prior news release (January 12, 2023) SSL is allowed to continue its business operations but must seek the approval of the regulator for transactions involving the intake and payout of funds to clients.
